

2017 New York City Science and Engineering Fair - Application Official Project Abstract

After finishing research and experimentation, you are required to write a (maximum) 500 word, one-page abstract. Your abstract should include the following: **a) purpose of the experiment, b) procedure, c) data, and d) conclusions.** It may also include any possible research applications. Only minimal reference to previous work may be included. An abstract must NOT include the following: a) acknowledgments (including naming the research institution and/or mentor with which you were working), or self-promotions and external endorsements b) work or procedures done by the mentor.

Title
Student's Name(s)

School Name

Start typing the body of your abstract here beginning at the left margin.

1. Student(s) independently performed all procedures as outlined in the abstract. Yes No
2. Student(s) worked or used equipment in a site other than school, field, or home. Yes No
3. This project is a continuation of previous research. Yes No

I/We hereby certify that the above statements are correct and the information provided in the Abstract is the result of one year's research. I/We also attest that the above properly reflects my/our own work.
